A rear three-quarter view of a silver Hyundai Santa Fe SUV parked on a paved lot. The car features a black roof rack, a rear spoiler, and a chrome trim strip across the rear. The Hyundai logo is centered on the tailgate, with 'SANTA FE' lettering below it. A small badge on the lower right of the tailgate reads 'Gas Refinement 100 Miles 2019'. The car is parked next to a bright green sedan on the left and a white sedan on the right. In the background, there are commercial buildings and palm trees under a clear sky.
